About Me

I am a self-taught frontend developer with a passion for the web. I enjoy development because of the pleasure I get in overcoming difficult problems, and I am always motivated by the opportunity that software development provides to positively impact the lives of individuals and communities at large.

I am looking to work in an environment of like-minded people with a passion for IT.

Educational

2021 - 2022

freeCodeCamp

Responsive Web Design
